**7**  Listen and complete. Then sing.

*My house, my house,  
It's a happy place for me.*

*My house, my house,*

*My house, my house,*

*For my friends and <sup>1</sup> family...*

*My house, my house,*

*There's a garden with a tree,*

*There's a skateboard and a <sup>2</sup> .....*

*There are photos in the <sup>3</sup> .....*

*Of me and my brother Mike.*

*My house, my house ...*

*There's a comfy <sup>4</sup> ....., too.*

*There's a blue bed in my room.*

*Our <sup>5</sup> ..... is nice and new,*

*So come and visit soon!*
