

At a doctor's

Complete the dialogue.

Situation: Nancy visits the doctor to get some test results.

Receptionist: Good morning, _____.

Nancy: Yes I do. My name is Nancy Smith and my appointment is at 10.30 am.

Receptionist: Yes, thank you. _____ and the
GP will see you as soon as she is free.

Nancy: Thank you.

Receptionist: Ms. Smith, _____.

Doctor: Good morning Ms. Smith. I have your test results here.

Nancy: Good. I hope that everything is alright.

Doctor: Yes, everything is ok. There are no major problems. I would suggest that
you try not to eat too much food with a lot of cholesterol in it.

Nancy: Oh dear. Is my cholesterol level too high?

Doctor: It is quite high and you should try to stop it getting any higher.

Nancy: Ok. _____ to help reduce the cholesterol?

Doctor: No. It isn't too high so it would be better for you to lead a healthier lifestyle
rather than take medicine.

Nancy: Ok, doctor. I will try.

Doctor: Ok that will be good.

Nancy: Thank you doctor. _____, I'll make
another appointment
