

Illnesses and treatment

Match health problem and convenient treatment. For each health problem choose just one treatment.

| | |
|------------------|--|
| headache | Put a cotton swab to it and a cold towel on your neck. |
| stomach ache | Take paralen, drink hot tea, eat fruit, stay in bed. |
| bleeding nose | Relax in a quiet, dark place. |
| broken leg | Put drops to it. |
| flu | Be on a diet, drink black tea. |
| diarrhea | Avoid the problematic situation, use the pills. |
| allergy | Use black coal, be on a diet. |
| infection in eye | Go to an X-ray, have a plaster/cast. |
