

WE DON'T TALK ANY MORE

We don't talk anymore, we don't anymore
We don't talk anymore, like we used to
We don't love anymore
What was all of it
Oh, we don't talk anymore, like we used to do

I just you found the one you've been looking
You've been looking for
I wish I would have known that me
'Cause even after all this time I still wonder
Why I can't move on
Just the way you did so

Don't wanna
What kind of dress you're wearing
If he's holding onto you so tight
The way I did before
I overdosed
Should've known your love was a

Now I can't get you out of my
Oh, it's such a

That we don't talk anymore, we don't talk anymore
We don't talk anymore, like we used to do
We don't love anymore
What was all of it for?
Oh, we don't talk anymore, like we used to do

I just hope you're lying next to
Who knows how to love you like me
There must be a good reason that you're gone
Every now and then I think you
Might want me to come show up at your door
But I'm just too that I'll be wrong

Don't wanna know
If you're looking into eyes
If she's holding onto you so tight the way I did before
I overdosed
Should've known your love was a
Now I can't get you out of my brain
Oh, it's such a shame

Are they still in love? How do you know?

Who regrets that they stopped loving each other?

Tell what things they liked doing when this couple were together?

Have they talked again after they broke up?
