

## Evaluation

### 1 Read and complete.

This is the parade <sup>1</sup> which our town has every summer.  
And that's me! My name is Tim. I'm the boy <sup>2</sup> \_\_\_\_\_  
looks like a pirate. That's the costume <sup>3</sup> \_\_\_\_\_ my mum  
made for me.

That's the place <sup>4</sup> they keep the floats. My favourite float is the one <sup>5</sup> looks like a dragon. Those dancers have masks <sup>6</sup> look beautiful.

These are the musicians <sup>7</sup> play the music. The man <sup>8</sup> plays the drum is my dad. That's the float <sup>9</sup> they always play.

After the parade, there's a funfair <sup>10</sup> \_\_\_\_\_ we can go on rides and buy delicious things to eat. This is also the place <sup>11</sup> \_\_\_\_\_ we have fireworks at night. It's great!

## 2 Look at activity 1. Answer the questions.

1 Is Tim the boy who is dressed up as a clown? No, he isn't.

2 Is he wearing a costume which his mum made? \_\_\_\_\_

3 Is Tim's favourite float the one which looks like a pirate? \_\_\_\_\_

4 Is the man who plays the drum Tim's uncle? \_\_\_\_\_
