

# READING COMPREHENSION

Gaby is talking about Alex her friend.

Hi! I'm Gaby and I am from Argentina, I'm not Spanish. I have long brown hair and green eyes. I am tall and slim. I have a sister but I don't have brothers.

My friend is Alex, a dolphin!! He is eight years old and he lives in Jamaica with his family and his friends. His favourite day of the week is Sunday.

I love him because he is sweet and cheerful!!! His favourite food is fish but he doesn't like fruit or vegetables. He always gets up very early and trains with his teacher Lalo. He has shows every day. He sometimes relaxes in the afternoon and he eats some fish.

Read and circle True or False.
