

Complete Miss Valeria's busy day using the expressions from the box. Use past simple.

cook - practice - prepare - go - go - have - teach - read - brush - eat

Yesterday, miss Valeria had a busy day.

At the beginning of the day, Miss Valeria _____ a little toast because she was

hungry. Then she _____ her teeth with her cat, because they are really close.

Then she _____

English to her students for some hours.

At noon she was hungry again, so she had a picnic

She _____ a lot of

watermelon.

After that delicious meal, she _____ an easy test for her nice students.

But, as she was a little anxious, she _____ her favourite sport.

Once she was relaxed, she _____ some books and _____

shopping.

When she went back home, she was hungry again, so she _____ dinner for her family.

At night, she _____ to bed finally!
