I am Scott. My classmate Troy and I are eleven years old. It is hot and sunny. We can't go to the beach but we are in a good mood. We can swim in the swimming pool in my house on Saturdays and Sundays. Now we are making a lot of sandwiches in the kitchen. There is some ketchup and cheese on the table, but there isn't mayonnaise. It is 2:30. My mother is buying mayonnaise at the supermarket. We are hungry! We are wearing flip-flops. Look! There is a little spider on my foot.
