

PARTS OF BODY – CROSSWORD

Across →

1. The part of your face that smells things
3. The joint that bends your leg
6. The joint that's between your arm and neck
8. The part of the body that hears things
9. The part of your hand that's between your wrist and your fingers
10. The white things that are in your mouth

Down ↓

1. The part of your body that connects your chest and your head
2. The part of your foot that touches the ground first when you walk
4. The part of your face that's above your eyes
5. The biggest "finger" of your hand
7. The part of your leg that's behind your shin
11. The joint that bends your arm
