

A bad case of stipes (The ending).

Oh no!! Camilla can't remember what happens at the end of the story.
Can you help her? Choose YES or NO.

Finally, a witch goes to Camilla's house and she gives her magic beans. Camilla is afraid to eat them at first, but when she accepts that it is okay to like different things she goes back to her old self and enjoys being different.

Finally, an old woman goes to Camilla's house and she gives her lima beans. Camilla is afraid to eat them at first, but when she accepts that it is okay to like different things she goes back to her old self and enjoys being different.

Finally, a doctor goes to Camilla's house and she gives her multi-colored pills. Camilla is afraid to eat them at first, but when she accepts that it is okay to like different things she goes back to her old self and enjoys being different.

What a lovely story!

How important is to accept ourselves ♥
