

WEEKLY PLAN for HIGH SCHOOL LEVEL 4
WEEK: 15
UNIT : ENGLISH EXPLORER UNIT 8 - 8C & 8D
STRUCTURE <i>Remember! You have a Grammar Explorer part in your Student's Book (pp. 111-127)</i>
Letters are a form of verbal and written communication, which contains information or message, send by one party to another, to convey the message. It is sent by one party to another, to provide certain important information. There are two types of letters, i.e. formal letters and informal letters. The formal letter is written for business or professional purposes with a specific objective in mind. It uses simple language, that can be easy to read and interpret. On the contrary, informal letters are written to friends and relative for personal communication and uses a casual or an emotional tone. The article excerpt presents you all the important differences between formal and informal letters in a detailed manner. https://www.youtube.com/watch?v=PgwmAUJx248

SKILLS

How to Speak about Money in English
