A skateboarder's dream

This house is a perfect house for skateboarders. There aren't any carpets, plants, pictures or posters on the walls in this house. Why? Think about it!

Normally people skateboard in the park or in the garden. In this house people skateboard inside! They skateboard in the living room, in the kitchen, in the bedroom and in the bathroom. They skateboard on the walls too!

Look at the living room. There's a table, some chairs, an armchair and a sofa with some cushions. It looks typical, but people skateboard on the sofa, tables and chairs!

There's a big skateboard practice room too. People train with friends and they have competitions there. It's really cool!

It's a skateboarder's dream house.
