## Read the article and answer the comprehension questions:

My name is Viviana Arbelaez and I love telling people about my life. I live with my mother in a small village near to Buga Colombia called Manantial; it's a peaceful place where you can hear birds singing every morning when you wake up. I get up from bed at 7:15 to take a shower, and then I get dressed, after that, I eat breakfast and next, I go to work. I work in an office from 8:00 to 12:00 pm. I go home and have lunch with my mom, later I take a nap and once again, I get ready to get to work until 7:00 pm. When I finish my working day, I usually go to the gym, well at least 3 times a week. On the weekends, I run some errands and I go to the church, but if I have time, I go to the movies or drink some coffee with a friend to have a nice talk. On Sunday, I sleep late, relax to rest, and be ready to begin another great week.
