

4th grade – Make-up test Unit 3.

1. Listen and write the names of the places that are missing.

The grid shows the following scenes:

- Top-Left (Tiger St. & Palm St.):** A supermarket, a blank space, and a building.
- Top-Right (Lion St. & Palm St.):** A blank space, a museum, and a building.
- Middle-Left (Tiger St. & Oxford St.):** A hospital, a blank space, and a school.
- Middle-Right (Lion St. & Oxford St.):** Three houses, a cinema, a blank space, and a house.
- Bottom-Left (Tiger St. & Oxford St.):** A pizza shop, a pet shop, a books shop, and a blank space.
- Bottom-Right (Lion St. & Oxford St.):** A park, a bus stop, and a bus.

2. Look at the map. Then write T (true) or F (false).

The map shows the following buildings in each quadrant:

- Top-Left (Tiger St. & Palm St.):** Supermarket, Café, and a house.
- Top-Right (Lion St. & Palm St.):** Museum, three houses, and a building.
- Middle-Left (Tiger St. & Oxford St.):** Hospital, News Stand, and School.
- Middle-Right (Lion St. & Oxford St.):** Three houses, Cinema, and a house.
- Bottom-Left (Tiger St. & Oxford St.):** Pizza shop, Pet Shop, Books shop, and a building.
- Bottom-Right (Lion St. & Oxford St.):** Park, Bus stop, and Bus.

- There's a supermarket on the corner of Palm St. and Tiger St.
- There's a hospital in Lion St. opposite the supermarket.
- There are shops in Oxford St. opposite the bus stop and the park.
- There's a cinema on the corner of Palm St. and Tiger St. opposite the café.
- There are houses in Palm St. opposite the train station and the museum.
- There's a bus stop on the corner of Tiger St. and Oxford St. opposite the houses.

T
