

Let's write.

A plot is a sequence of events in a story. There are five elements: exposition, rising action, climax, falling action and resolution. Look at the plot structure below.

a	Exposition	It introduces the characters and the setting of the story.
b	Rising action	It tells how the main character encounters trouble or difficulty
c	Climax	It is the most exciting part of the story where there is a major turning point in the plot.
d	Falling action	It tells about the events after the turning point.
e	Resolution	It tells about the final outcome of the story.

Identify the elements of the plot structure using the information.
