Child	What adults think	What children have and feel	What they are like
<i>Firstborn</i>		• They start speaking and walking quicker than other children •	• Reliable •
<i>Middle child</i>		• Make lots of friends •	• Outgoing • Compromising • Opposite of elder siblings •
<i>Lastborn</i>		•	• Charismatic • Spoiled • Affectionate •
<i>The only child</i>		• Treatment as a "little adult" • No competitions, no sharing •	• Mature • Dependable •
