

DRAMA

- Narrator: Here we are with another episode of "Hospital Adventures". You'll remember that last time, Chad was in an accident. He was walking home from work. He wasn't looking where he was going, and he fell down and hit his head. Now, he's in the hospital and doesn't remember who he is.
- Friend: Oh, Morgan, I came as soon as I heard! How is he?
- Morgan: He's still sleeping. The nurse just took his temperature. He has a fever.
- Friend: Look! He's getting up!
- Chad: What a headache! Where am I? Who am I? Who are you?
- Morgan: Chad, it's me, Morgan, your wife. Don't you remember?
- Friend: Here comes the doctor.
- Morgan: Doctor, I'm so worried. What are we going to do?
- Doctor: You must relax. It is important to stay calm... It seems that we'll have to operate.
- Morgan: Oh, no!
- Friend: Oh, no!
- Chad: Oh, no!
- Narrator: Will Chad get well? Will he get his memory back? Does he have health insurance? Tune in tomorrow for the next episode of "Hospital Adventures".
