

London Landscaping Company

Garden Design & Build

About

Owner and designer for The London Landscaping Company Billy Clarke, has a background in Design Engineering and music. He established the London Landscaping Company in 2001 based in East Dulwich SE22, building an impressive portfolio of work. He has developed an individual style creating modern urban contemporary garden design with a focus on clean simple designs and themes. The London Landscaping Company offers a creative and personal design and build service, using a range of budgets. Working with the customer from creation to design construction and planting.

The London Landscaping Company also provides a construction and management service for other designers. We also help people to get licenses from councils.

We have a **dedicated** team of very experienced builders, lighting specialists, designers and gardeners including Billy Clarke, Head of creative and owner of The London Landscaping Company as well as Natalia Lenart, Head designer and her experienced team of designers, working throughout South London and all London areas.

For prices and business queries, call Billy Clarke on 020 8299 6466, and for design-related queries email Natalia Lenart on natalia@london-landscape.com
