I'm a hot air balloon that could go to space With the air, like I don't care baby by the way
Because I'm happy Clap along if you know what happiness is to you
Bring me down, can't nuthin' Bring me down, your love is too high
Because I'm happy Clap along if you feel like happiness is the truth
Here come bad news, talking this and that (Yeah) Well, give me all you got, and don't hold it back
Because I'm happy Clap along if you feel like that's what you wanna do
It might seem crazy what I'm 'bout to say Sunshine she's here, you can take a break
(Yeah) Well, I should probably warn you I'll be just fine (Yeah) No offense to you, don't waste your time Here's why
Huh, because I'm happy Clap along if you feel like a room without a roof
Bring me down, can't nuthin', Bring me down, I said, let me tell you now
