

FINAL REVIEW

A doctor's appointment

Read the dialog . Then circle the correct words or phrases. Follow the example.

Dr. Quail: How are you feeling Mr Jones?

Mr. Jones: My throat still hurts but I don't have any/many symptoms.

Dr. Quail: I got the results from the laboratory. Your stomach is fine and you only have **any/some** branhamella carrtahalis in your throat.

Mr. Jones: Is that serious?

Dr. Quail: Not at all. You see, everyone's throat has **any/many** bacteria, but bacteria don't cause any medical problems. I think your problems **cause/ are caused** by tension or nervousness.

How much/How many hours do you work in a week?

Mr. Jones: About 50 or 60.

Dr. Quail: You should work **fewer/ more few** hours. If you don't take it easy, you **may/won't** serious health problems. I'll give you a prescription that will help you relax. You **feel/may feel** sleepy, so you shouldn't drive car while you're taking this.

Mr. Jones: All right, doctor. Thank you.

Gorillas and Chimpanzees

Listen to the information about gorillas and chimpanzees. Then check the characteristics of the gorilla. Next listen to it again and check the characteristics of the chimpanzee. Follow the examples.

	Gorilla	Chimpanzee	
	Males weigh 180 kilos	Males weigh 180 kilos	
	Females weigh 25-50 kilos	Females weigh 25-50 kilos	
	They don't eat insects	They don't eat insects	
	They eat insects	They eat insects	
	They drink water	They drink water	
	They are social animals	They are social animals	
	They live in groups of 6-7 individuals	They live in groups of 6-7 individuals	
	They can live 60 years	They can live 60 years	

Read the dialog. Then complete the text with the words or phrases from the box. Follow the example.

Cultivate	Grown	they growing	we can	will produce
Grew	produce	want	fragiler	will see
Growing	see	we will have to	more fragile	will want
Grow				you grow

Gwen: Hi, I'm Gwen Dale. I'm preparing a presentation for school about tulips. Can you help me?

Tom Green: Sure. What would you like to know?

Gwen: Do you grow flowers or bulbs?

Tom Green: Both. The flowers are _____ in a greenhouse, and the bulbs are cultivated outside.

Gwen: Why?

Tom Green: Look at the tulips outside, If it rains, or if the wind destroys the flower, _____ still sell the bulb. But if we _____ to sell in perfect flowers , we have to protect them from the weather.

Gwen: Interesting. How many tulips do you _____ each year?

Tom Green: It depends. Last year, we _____ two million red "Atilla". But this year, we're selling a double tulip, Angelique. Double tulips are _____, and they're more difficult to grow. Therefore, we will only produce 800,000 of them. Well, I need to go now. If you _____ me before you leave, I'll give you some of our tulips.

Gwen: Thank you.

Find the mistake. There is a mistake in each line. Circle the mistake. Follow the example.
