I. Your teacher will narrate the following listening text. Listen carefully.

4. The Mouse and The Pencil

Chintu fell asleep while doing his homework. He left his books on the table as they were. He left his pencil box open.

One long pencil suddenly woke up and stretched its hands and legs. It felt happy to find itself free.

It thought, "Yeah! How lucky I am! Today the box is open. I can breathe some fresh air. I can play for a while and take a walk. Ha.....Ha"

The pencil stood up and looked down.

"Oh! The table is so high. How will I get down?"

It thought and thought. The pencil got an idea.

"Yes... I can slide down the leg of the table."

It got down safely and started walking. It ran back and forth. It climbed up and down. It danced and rolled on the carpet. It got up and walked towards the drawing board. Suddenly, it saw something dangerous .It cried out of fear.

Match the opposite words.

open

awake
