WEEK 25 - Let's Manage Solid Waste**ACTIVITY 1****Let's Recycle!****LEAD IN****1. Observe the picture and reflect about these questions:**

What do you see in the picture?

life

death

other

How do you feel about the picture?

worried

sad

other

How could you change the situation in the picture?

burn

recycle

other

**LISTEN AND READ****LISTEN TO** and **READ** the instructions to create a new object from recycled materials:

Solid waste is a big cause of pollution on our planet. What can we do about it? One thing we can do is recycle. We can make something new out of something old or used instead of throwing it away.

Here are instructions to make a bag from an old T-shirt.

How to make a bag with an old T-shirt

Today we are going to make a bag from an old T-shirt.

Materials:

T- shirt

Scissors

1. First, cut the sleeves and the neck of the t-shirt.

2. Then turn the t-shirt inside out.

3. After that, cut small strips at the bottom of the T-shirt.

en casa

4. Finally, tie the strips together to create the bottom of the bag.

5. Now, turn it inside out and that's it! You have a new bag.

This is a
great way to
recycle old
clothes and
take care of
our planet.

LET'S PRACTICE

Exercise 1 MATCH the action with the picture. Follow the example:

cut

fold

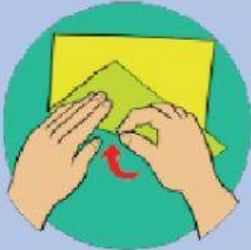

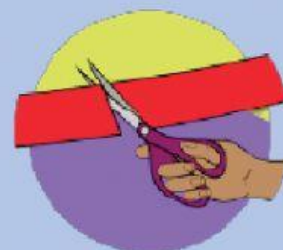

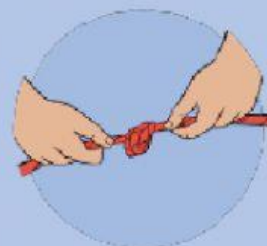

tie knots

paint

glue

turn

roll
