

CAREER QUIZ

Read about each career and then answer the questions.

My name is Karen. I am an animal scientist. I do research on the health of farm animals. I find better ways to feed, house, and care for the farm animals. I also find ways for farm animals to produce more milk, eggs and meat. My job is related to a veterinarian.

I am Carlos. I am an athletic trainer. I help athletes use training equipment properly. I also help athletes recover from injuries by applying

bandages, tape, and reporting progress to coaches. When an athlete is hurt, I go with him or her to the hospital. A job that is related to an athletic trainer is a physical therapist.

My name is Monica. I am a court reporter. I work with lawyers, judges, and police officers at a court house. I type what people say in a trial or court case. I take notes and file records of court sessions. Other jobs that are related to a court reporter include administrative assistants, medical transcriptionists, and information clerks.

1. Which person would work with a sports team?
