EVENING SCHOOL

During the day West College is a normal school. Students arrive at 8.30 a.m. They study the usual subjects, such as maths, English and geography. At 4.30 in the afternoon the students go home.

But the school doesn't close. In the evening more students start to arrive, and at 7.00 p.m. lessons start again. But these lessons are different – the students are adults! They come to evening classes because they want to learn about things that interest them. For example, there are lessons in art, languages and cooking.

The oldest student is Eva. She's seventy-eight! She studies music. 'I've got a lot of free time,' she says, 'and I love music. I'm not studying for an exam. I'm studying for fun!'
