WEEK: 3	
UNIT / TOPIC: - UNIT 8 ENVIRONMENTAL AFFAIRS	
SKILLS	
Identifying the functions of speech	
STRUCTURE	
Conditionals - This is the week we go through If Clause Type 0, 1, 2 and 3. Don't forget that 0 is about facts and habits that are always true so both the meaning and the grammar is in Present Simple. (If you mix blue and red, you get purple) The 1st one is about the future. So we use will or won't in the result clause. (If it is sunny tomorrow, we will go to the beach) The 2nd clause is about hypothetical things about present but we use past and would/could/might. (If you were here, we could dance) The 3rd one is again about the hypothetical things about the past (If I had studied, I would have passed) Please watch the videos
