SKILLS

Writing an informal e-mail

Speaking: discussing similarities and differences

Writing Task: You've received an e-mail from your friend.

I've been at home for almost a month! I think I've never spent so much time at home before. I'm bored but also I had a good rest. How about you? How is home-schooling going? Are you anxious like most people or have you found ways to pass the time effectively? I was really stressed at first but now I'm OK! How do you cope with stress? Let me know how you're doing.

Check SB page: 14&15. Use the CD for this. Then write you reply to this e-mail.
