

## Writing Practice

**Writing Prompt:** This is the season for giving and making others feel special. Think of a time you were in need and someone helped you/gave you something special.

Here's some things to mention:

- Who helped you?
- How did they help you (what did they do or give you?)
- How did this make you feel?
- How will you repay that person one day?
- Why is it important to give/help others?

Remember to use capital letters to begin your sentences. Remember your punctuation marks at the end of your sentences. Check for spelling and grammatical errors (check to make sure your sentences make sense).
