

Reading comprehension

1 Read the text and write T (True), F (False) or NM (Not mentioned).

Patricia Sosa is a famous singer and composer. Her date of birth is 23rd January 1956. She has got long dark curly hair. She's tall and thin. She's got a special way of singing. She has got the Konex Award as a soloist. She has got a charity *Pequeños Gestos, Grandes Logros* to help Tobas communities in Chaco, a province in Argentina.

Her husband is Oscar Mediavilla. He is a well-known musician and producer. His date of birth is 15th November 1954. He is tall. They have got a daughter, Marta. They haven't got any sons.

Patricia and Oscar are very peculiar. They are husband and wife but they are not in the same house. Patricia has got her house. She lives there with her daughter and her parents. And Oscar has got his house. But they are a happy couple!

- 1 Patricia Sosa has got short hair. _____
- 2 She is 45 years old. _____
- 3 Oscar wants to have a son. _____
- 4 Oscar has got glasses. _____
- 5 Patricia and Oscar are not in the same house. _____
