

Double Consonants - ll

Click on the video then work out.

Write "ll" in the spaces below. Then write the whole word.

Diagram illustrating the phonics activity. A central circle contains the letters "ll". Four curved arrows point from this circle to four different images: a soccer ball, a seashell, a bell, and a girl sitting at a desk. Below each image is a word fragment followed by a blank line for the missing letters and another blank line for the full word.
