

Quiz 2

Part III

Answer the questions.

The Grand Canyon is a very popular place for tourists visiting America. Luckily, there are many different ways to travel at this attraction. You can go by foot, on a mule, or by boat. If you are interested in a more comfortable way to see the canyon, you can fly in a helicopter or small airplane to view it from above. Another traveling option is the Coconino Canyon Train. It is a 90-minute ride that travels 24 miles. No matter how you travel at the Grand Canyon, you are sure to be amazed by its natural beauty.
