#### Extra Practice:

Help your child practice these types of fill-in-the blanks at other times as well. You can say some of these while waiting in a line or driving in the car. The more you do this, the faster his word retrieval will become!

## Improving Word Retrieval Skills

### Rapid Naming from Categories

Have your child name as many things from each of these categories as she can. Make sure she does it as quickly as she can as well. Time her to see how fast she can come up with 10 items. When you've used all of these categories, try asking about other categories as well.

Vehicles

Clothes

Foods

Drinks

Toys

Actions

Body Parts

Furniture

#### Extra Practice:

Continue to ask your child to do this throughout the week. You can try this activity while waiting somewhere or on a long car ride. Make it a family game and have everyone try. Have your child choose a category for you to name 10 items from as well.

## Activities for Improving Word Retrieval:

### Provide a Word from a Definition

Write a word in each blank that fits the definition provided. The word must make sense with the definition. If your child cannot read or write, say these out loud and have your child say a word that could fill in the blank. Time how long it takes your child to do 10 of these. Then, see if your child can beat his record next time.

- A red and juicy fruit that is often made into juice or sauce. \_\_\_\_\_
- An animal whose hair is made into clothing and who needs to be sheared. \_\_\_\_\_
- Something green that grows outside and needs to be mowed regularly. \_\_\_\_\_
- A place where children play outside during school. \_\_\_\_\_
- Something you wear on your hands to keep you warm when it's cold outside. \_\_\_\_\_
- An eating utensil that has three or four tines so you can pick up pieces of food better. \_\_\_\_\_
- An animal that lives at the zoo and has a very long neck. \_\_\_\_\_
- Something you use to spread paint onto paper. \_\_\_\_\_
- What you put under your head at night when you sleep. \_\_\_\_\_
- Something that flies in the air while being attached to a string that you hold. \_\_\_\_\_
- An animal that lives on the farm and lays eggs. \_\_\_\_\_
- A place where you wash your dishes. \_\_\_\_\_
- A vehicle that flies in the sky and has two large wings that stick out on either side. \_\_\_\_\_
- Something you put on your toothbrush to brush your teeth \_\_\_\_\_
- A food with a crust, cheese, and toppings that is shaped like a circle but cut into triangles. \_\_\_\_\_
- Something green that grows on a tree and can shade you if there are enough of them. \_\_\_\_\_

#### Extra Practice:

Help your child practice these types of reverse definitions at other times as well. You can say some of these while waiting in a line or driving in the car. You can also play a jeopardy-like game to practice these as well.

## Improving Word Retrieval Skills

### Listing Items Required for a Task

Have your child quickly name all of the things she would need to have to complete one of the following tasks. Time her to see how fast she can come up with 10 items. When you've used all of these tasks, try asking about other tasks as well.

Washing Your Hands

Brushing Your Teeth

Getting Ready for Bed

Pouring a Bowl of Cereal

Painting a Picture

Making a Sandwich

Taking a Bath

Putting on Your Shoes and Socks

#### **Extra Practice:**

Help your child practice these types of lists at other times as well. You can say some of these while waiting in a line or driving in the car. See if she can beat her time for coming up with a list of 10.

## Activities for Improving Word Retrieval:
