Places to visit

As well as many historically important cities such as the capital Prague and Český Krumlov (a UNESCO World Heritage Site), there are famous spa towns where you can enjoy peaceful surroundings with healthy water and fresh air.

Culture

All over the country, there are many interesting museums and galleries which show the story of the country's past, and you can also enjoy classical concerts, ballet and opera in many places.

Food

The Czech people love their food and are very proud of their traditions. The most famous dish, and one that everyone has to try, is roast duck with dumplings and red cabbage, which is the perfect meal after a day out hiking in the fresh air, and for vegetarians, fried cheese is a must although it is not particularly good for you!
