

Συμπληρώνω τους αριθμούς που δείχνουν τα ζάρια
στα κουτάκια και κάνω κάθετα τις προσθέσεις:

 	+			 	+		

 	+			 	+		

 	+			 	+		

Τοποθετώ τους αριθμούς στα λουλούδια από το μικρότερο στο
μεγαλύτερο, όπως στο παράδειγμα:

5, 4, 2, 7				
9, 1, 3, 6				
2, 9, 8, 4				
3, 10, 2, 8				
6, 5, 2, 9				
1, 4, 10, 7
