Coldplay

Once in a great while, an incredible album is released, and you cannot seem to understand what makes it so memorable. The perfectly chosen lyrics along with simple melodies express the emotions that one could only feel, not speak. An album that will not get old, and boring as time passes, but one that will help you grow. This is Parachutes, by Coldplay.

The London-based band consists of four members: a vocalist, bassist, guitarist and drummer. Most would recognize this genre of music as indie-rock, mixed with a little bit of mellow British pop. Though, to define the exact genre of this music in merely impossible, the music is remarkable. Coldplay is far from your English rock bands like Radiohead; they use the instrumental combination of guitar, bass, drums, and piano, along with vocals. Coldplay is unique.

CHRISTMAS LIGHTS

Christmas night, another **light/ .....**
Tears we cried a flood
Got all **kings / .....** of poison in
Poison in my blood

1. But I can't believe she's gone
2. Trying to right a wrong
3. To Oxford Street
4. I took my feet
5. Just walk away
6. Those windows say

When you're still waiting for the snow to fall
Doesn't really feel like Christmas at all
Up above candles on air flicker
Oh they flicker and they float
But I'm **down** / .....here holding on
To all **these** / ..... chandeliers of hope

7. Saying how I always loved you darling
8. I go singing out of tune
9. Like some drunken Elvis singing
10. And I always will

Oh when you're still waiting for the snow to fall
Doesn't really feel like Christmas at all
Still waiting for the snow to fall
It doesn't really feel like Christmas at all

11. Down where the sea and city meet
12. Those Christmas lights
13. Light up the street
14. Oh Christmas lights keep shining on
15. May all your troubles soon be gone

16. Maybe they'll bring her back to me
17. Those Christmas lights
18. Light up the street
19. Then all my troubles will be gone
20. Oh Christmas lights keep shining on

Oh Christmas lights
Light up the street
Light up the fireworks in **here / .....**
May all your troubles soon be gone
Oh Christmas lights keep shining on
