

Kings & Queens

Task 1: Drag and drop the words in order

If all of the kings had their queens on the throne
would raise toast We and champagne a pop

To all of the queens who are fighting alone
own, not your dancin' on you're Baby

Task 2: Click on the incorrect word and correct it

Can't life without me, you wanna, and you can't, no, no, no
Think it's funny, but money, can't run this show on your own
I can fell my body shake, there's only so much I can take
I'll show you who a real queen behaves, oh

Task 3: Match the two halves

No damsel in distress,
Once I start breathin' fire,
And you might think
But if I had one,

I'm weak without a sword
it'd be bigger than yours
don't need to save me
you can't tame me

Repeat Task 1

Task 4: Click on the word you hear

Disobey me, then baby, it's off with your head/heart
Gonna change it and make it a world you won't forget,
No damsel in **distress/stress**, don't need to save me
Once I start breathin' fire, you can't **tame/save** me
And you might think I'm **weak/sick** without a sword
But I'm stronger than I **even/ever** was before

Repeat Task 1

Task 5: Drag and drop the missing words

In chess, the king can move one space at a _____
But queens are free to go wherever they _____
You get too close, you'll get a royalty _____
So breathe it in to feel the _____

LIKE
HIGH
TIME
LOVE

Repeat Task 1
