

WONDERWALL - OASIS

Today is gonna be the day
That they're gonna throw it back to you
By now you should've somehow
Realized what you gotta do
I don't **believe/think** that any body
Feels the way I do, about you now

Backbeat, the word **was/were** on the street
That the **fire/cool** in your heart is out
I'm / I'm not sure you've heard it all **before/after**
But you **never/always** really **had/have** a doubt
I don't believe that any body
Feels the way I do about you **now/after**

And all the roads we have to **walk/talk** are winding
And all the lights that lead us there are blinding
There are many things that I
Would like to say to you but I don't know how

Because/but maybe, you're gonna be the one that saves me
And after all, you're my wonderwall

Today was gonna be the day
But they'll never throw it back to you
By now you should've some how
Realized what you're not to...
