

**Pasatu era konplexura (deskonposatu):** Laguntza behar baduzu, sakatu hemen.

Ariketa honen zuzenketa automatikoa errazteko, erantzunetan ez da ha erabiliko, hm<sup>2</sup> baizik, eta balioa duten zeroak bakarrik idatziko dira. Gogoratu erantzunetan berretzaileak idaztea ezinezkoa denez, m<sup>2</sup>, dam<sup>2</sup>... idatziko dela adibideetan ikusten den bezala.
