

Name: \_\_\_\_\_

Create a simple past tense. Write 1 to the action that happened first, and 2 for the second. Combine the two ideas into one sentence by using after to introduce time clause. Write the two forms.

Example:

Her dad read the girl a bedtime story.

The girl fell asleep.

1

2

The girl fell asleep after her dad read her a bedtime story.

After her dad read the girl a bed time story, she fell asleep.

1. Jane/ wake up/eat

---

---

---

2. Kattie and John / buy / see

3. Abby/ put / go
