

A silhouette of a superhero figure, possibly Superman, standing on a dark, rocky outcrop. The figure is facing forward, with its right hand on its hip and its left hand slightly raised. A cape is visible, flowing behind the figure. The background is a bright, yellowish-white sunburst or starburst pattern, with rays emanating from the center. The overall color palette is dominated by the bright yellow/white of the sunburst and the dark silhouette of the figure and rocks.

Right now I am Paris. It is very early in the morning and I am hungry. So I am looking for a bakery. I am having a crunchy croissant and a warm coffee latte. Yummy. People are rushing around, I guess they are going to work. But today, I am taking the day off.
