

## How do you feel? – How are you?

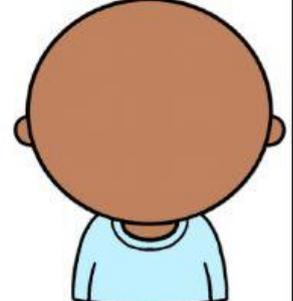

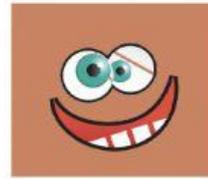

I feel good.

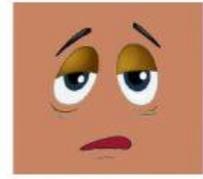

I feel bad.

I am unhappy.

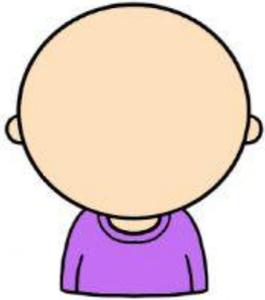

I am happy.

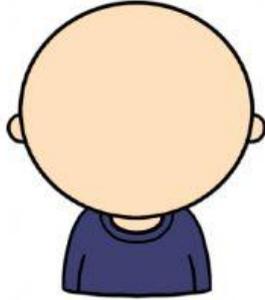

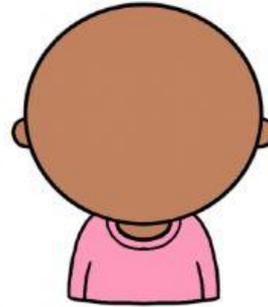

## How do you feel? – How are you?

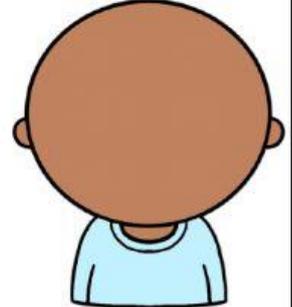

I'm sad.

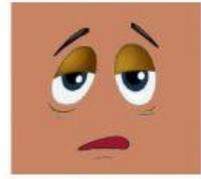

I'm okay.

I am angry.

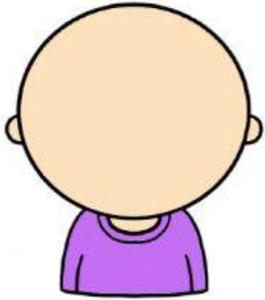

I am tired.

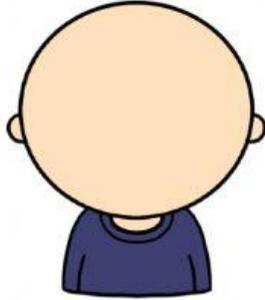

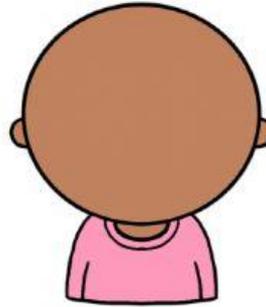

## How do you feel? – How are you?

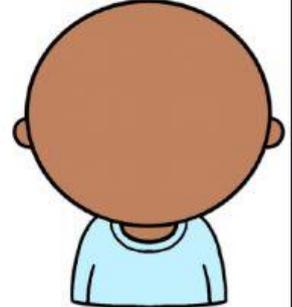

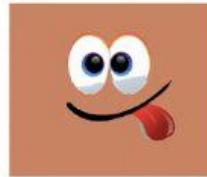

I'm surprised.

I'm energetic.

I am hungry.

I am thirsty.
