

Write an argumentative text about healthy/unhealthy habits

You could write about:

- What do you do to keep healthy?
- Do you usually do exercise?
- Do you think fast food is bad for you?
- Do you usually eat healthy food? Give examples

Remember: plan your writing, use correct punctuation, use paragraphs (including arguments), use connective words (linkers) and include an **introduction** and **conclusion** (with your own opinion) to your text.
