

READING: "MY NEXT VACATIONS"

My name is Camila. I'm very happy because I'm going to spend twenty days in Ica with my family and two friends.

We are going to stay in a hotel because my parents want to relax. We are going to travel by bus. I know it's going to be fun.

My family, my friends and I are going to visit the Islas Ballestas and San Gallan, then Andrea, Luz, Luciana and I are going to swim in the sea. I think that my parents are going to buy some souvenirs for my grandparents and aunt Claudia.

My parents love summer activities so we are going to visit Huacachina Lagoon and we are going to ride on dune buggies or sandboards. I'm very excited because

Because my friend, Anapaula who went there last year told me that it's a wonderful place and there is sun everyday.
