SECTION A: Reading and Comprehension

1) **READ** the Little Mermaid's routine and answer **TRUE (T)** or **FALSE(F)**.

This is the Little Mermaid. She's pretty and clever. She lives in the sea, but she also gets out on the beach to find some friends in the summer.

In the morning, she gets up at about 7 o'clock and she swims around to find something for her breakfast. She usually eats small fish. Then, she meets her friends to play games underwater.

They always have lunch at about one o'clock and in the afternoon, they like reading some interesting books. When the sun goes out, The Little Mermaid swims back to her house. She has dinner at half past eight and she goes to bed early.
