

English: Level A2

WEEK 36

Let's Manage solid waste

Activity 1

Small changes can make a big difference!

LEAD IN

Match the recycled materials they used to make each house.

1

2

3

A. plastic bottles

B. paper

C. beer cans

Glosario

INGLÉS	CASTELLANO
add	agregar
be careful	se cuidadoso
beer can	lata de cerveza
button	botón
coasters	posavasos
cut	cortar
decrease	disminuir
fill	llenar
fold inside out	voltear/doblar al revés
glue	pegar
make sure	asegurate
paint	pintar

INGLÉS	CASTELLANO
piece of fabric	pedazo de tela
roll	enrollar
sand	arena
scarf	chalina/bufanda
scissors	tijeras
sheet	hoja
shoelace	pasador/cordon de zapatos
stick	varitas, palitos, varillas
thread	hilo
tie	atar
unbleached paper	papel craft

Match the definitions with the correct pictures

LISTEN AND READ

Listen to and read the instructions about how to create a new object from recycled materials:

Christmas is coming soon, and we can learn how to make Christmas ornaments from recycled materials. Remember, **small changes can make a big difference!**

Today we are going to make a snowman! Follow the instructions.

How to Make a Snowman from Recycled Materials

Materials:

1. one old, white sock
2. scissors
3. sand
4. one small piece of fabric
5. buttons of different sizes
6. two shoelaces or pieces of string
7. glue

Instructions:

1. First, cut the sock in half. Be careful with the scissors!

2. Then tie one end of the sock with a shoelace or string. Make sure it is very tight.

3. Fold the sock inside out. Now you have a smaller sock.

4. After that, fill the sock with sand, rice or any other grain you can find.

5. Tie the other shoelace and make the snowman's head. The head should be smaller than the body.

6. Fold the other part of the sock to make the hat. You can use a small piece of fabric to make the scarf.

7. Finally, use small buttons to make the eyes and large buttons for the body.

8. Now, you have a snowman to decorate your house with or to give as a present.

Be creative and add your own personal touch for your snowman. Look around your house, use your imagination, and turn trash into treasures! Christmas is a time to give, and by recycling we are helping the planet. Just imagine, if we all recycled, we could make a huge difference in the world!
