

# LISTEN AND MATCH THE PREDICTIONS TO THE REASONS

SARA

It won't be easy to find a job I'll enjoy

I don't think I'll get an interview

Not many people do, straight out of university

There are people from some really interesting companies here

MARCO

I'm sure I'll make some really useful contacts

I might get a job today!

They won't be interested in me, because I don't have any experience

I'm happy to do anything

KATE

I might not get my perfect job

I'm sure I'll find some kind of work

I know someone who found a job at an event like this last year

There just aren't enough jobs- you have to take what you can find
