Now and then I think of when we _____ (be) together
Like when you said you _____ (feel) so happy you could die
_____ (tell) myself that you were right for me
But felt so lonely in your company
But that _____ (be) love and it's an ache I still remember

You can get addicted to a certain kind of sadness
Like resignation to the end, always the end
So when we _____ (find) that we could not make sense
Well, you _____ (said) that we would still be friends
But I'll admit that I was glad it was over

But you _____ (not have) to cut me off
Make out like it never happened and that we were nothing
And I don't even need your love
But you treat me like a stranger and that feels so rough
No, you didn't have to stoop so low
Have your friends collect your records
And then change your number
I guess that I don't need that though
Now you're just somebody that I used to _____ (know)
Now you're just somebody that I used to know
Now you're just somebody that I used to know

Now and then, I think of all the times you screwed me over
But had me believing it was always something that I had _____ (do)
But I don't want to _____ (live) that way
Reading into every word you say
You _____ (say) that you could let it go
And I wouldn't catch, you hung up on
Somebody that you _____ (use) to know

But you didn't have to _____ (cut) me off
Make out like it never happened and that we were nothing
And I don't even need your love
But you treat me like a stranger and that feels so rough
And you didn't have to stoop so low
Have your friends collect your records
And then change your number
I guess that I don't need that though
Now you're just somebody that I used to know
Somebody (I used to know)
Somebody (Now you're just somebody that I used to know)
Somebody (I used to know)
Somebody (Now you're just somebody that I used to know)
