4.- Alice has got a house, hasn't she?

2.- Read the correct answers based on the reading about Clash of Clan, then, choose right answer the following items.

In 2012, Supercell created a strategy game for cellphones called Clash of Clans. Nowadays, a lot of young people from different parts of the world play this game. What is interesting about this game is the possibility of practicing your writing skills in the language you choose.

This awesome game allows you to customize a village, build an army, crush your opponents, and either join or establish a clan. As soon as you build your clan castle, you can start joining clans and getting to know other players who will help you practice your writing and reading skills and learn a lot of new vocabulary.

This is a great opportunity to have fun while practicing your English with native speakers!
