

5th JUNIORS Overall Achievement Test

1. Read the email and answer the questions

Hi Pat,

Just a short mail to tell you we're having a wonderful time in Rio de Janeiro!! This is really a great place. Brazilian people are very friendly, the food is great and the weather is hotter than at home. We have been here for ten days and it is sunny every day. Can you believe it?

I swim two or three times a day and my brother goes snorkeling. The water is incredibly blue and clear!! I'm so happy! I've bought a new camera so I'm taking great underwater photos!

Last Sunday we took a bus and went to Buzios. We were having lunch at the beach when suddenly a storm started and we had to run into a restaurant. We got soaked!!

Next week if the weather is bad, we'll go to a shopping center and buy presents for all the family.

I'm learning a little Portuguese. Rio is the most beautiful city I've ever visited!!

See you soon,
