1. Watch the video:

2. Put the first paragraph in order.

Like when you said you felt so happy you could die
But felt so lonely in your company told myself that you were right for me
But that was love and it's an ache I still remember
Now and then I think of when we were together

3. Choose the correct option.

You can GET / GOT addicted to a certain kind of HAPINESS / SADNESS
Like resignation to the end, always the end
So when we FIND / FOUND that we could not make sense
Well, you SAY /SAID that we would still be friends
But I'll admit that I WAS / WERE glad it was over

3. Fill the gaps:

But you _____ cut me off
Make out like it never happened and that we _____nothing
And I don't even _____ your love
But you treat me like a stranger and that _____ so rough
No. you _____ to stoop so low
Have your friends _____ your records and then change your number
I guess that I don't need that though
Now you're just _____ that I used to know (x3)

4. Choose the correct word:

Now and then I think of all the times you _____ me over
But _____ me believing it was always something that I'd done
But I don't wanna _____ that way
Reading into every word you say
You _____ that you could let it go
And I wouldn't catch you hung up on somebody that you _____ to know.

Chorus
