

Great thinkers

1

Read, think and complete.

Do you remember **The Inventors Song**? Can you remember the inventions and the names of the inventors? Read the song and fill in each space with the name of an inventor.

The Inventors Song

These wise men,
All of them,
Changed our lives,
Changed our lives.

_____ invented electric light,

_____ invented a new way to write,
A man from China invented the kite.

These wise men,
All of them,
Changed our lives,
Changed our lives.

_____ invented a globe very round,
Edison invented a way to play sound,

_____ made a car that he drove round and round.

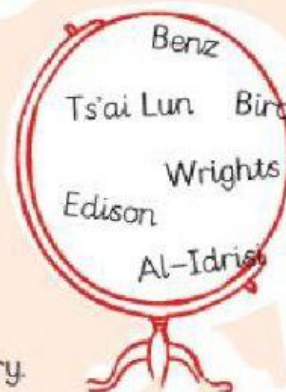

These wise men,
All of them,
Changed our lives,
Changed our lives.

The _____ invented a way to fly high,
Janssen helped us to study the sky,

_____ made paper of wood that was dry.

These wise men,
Thanks to them!
